The Honorable Allen W. Dulles  
Director  
Central Intelligence Agency  
2430 E Street, N. W.  
Washington 25, D. C.

Dear Mr. Dulles:

At the September 24th meeting of the National Aeronautics and Space Council it was decided that an intelligence briefing on Soviet space activities would be helpful to the Council in formulating policies and plans for U. S. space activities. Accordingly, at the request of the President, I am writing to invite you to brief the Council at its next meeting which is tentatively scheduled for October 28 at 9:00 A.M. in the Cabinet Room of the White House. 29

I would appreciate knowing if these arrangements are satisfactory to you. Additionally, I would like to request guidance from your office with regard to clearance requirements necessary for those attending the meeting.

A tentative agenda and a list of Council members are enclosed for your information. Please let me know if there is any other way that I may be helpful.

Sincerely,

*Robert O. Piland*  
Robert O. Piland  
Acting Secretary
